A NOXUBEE COTTON PLANTER.

Answer as a freeman, before God and your cuntry.

If, when the Compromise measures were simly pending before Congress, Senator Foote believed their iniquitous provisions, hazarded the existence of the Union, by what sort of logic, can it be attempted to be proved, that their actual passage.

The language is not important—Mr. Cass contends and defended the very worst sort of abolition doctrines in his calchrated two-days speech—the speech in which he explained his monstrous doctrine of Nicholson letter, and promulgated his monstrous doctrine of dreaded than that promulgated by Seward and Hale—being a man more trusted and raspected—of greater intellect, he has brought all the powers of his mind and experience to extablish a theory of free organization on American territory that puts the slaveholder at the mercy of the people of all nations, colors and tongues—En Standard.

MOREHEAD'S Colors World to the control of abolition doctrines in his calchrated two-days speech—the speech in which he explained his monstrous doctrine of which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrine of the two-days speech—the speech in which he explained his monstrous doctrines in his calchrated two-days speech—the speech in which he explained his monstrous doctrines in his calchrated two-days speech—the speech in which he explained his monstrous doctrines in his calchrated two-days speech—the speech in the two-days speech—the

IMPORTANT TO PLANTERS.

THERE is perhaps, no or thing of greater im ance to the planting com nity than to be able to fr beforelves from the vexa ting from different fevers, to which they are more or les subject throughout the south This can be and is readily done and at less expense than

ment, by the use of the Electrical Febrifuge.

OR SPEED'S FEVER TONIC, WHICH CURES FEVERS OF ALL TYPES AND GRADES IN FROM TWO TO TWENTY HOURS!

by any ordinary mode of treat

Not one hour need be lost more than the day of attack, in any ordinary case of BILLIOUS FEVER. INTER-MITTENT of CHILLS AND FEVER, and but little if any more with the more violent and dangerous Fevers; as Congestive, Yellow, Nervous and Typhus, Measles, Scarlet Fever and Typhoid Pneumonie are deprived of at least two thirds of the ordinary danger

Fever Cannot Exist

but a very short time under its potent and agreeable influence, while all anxiety, uncertainty and trouble of nursing is dispensed with. We cannot better de-WHERE he may at all times be found by those who wish his professional services. This central location will much improve his facilities for attending to "As far as I have traveled, your Februage has been used with wonderful success. In at least five hundred cases on this river [Ouchita] it has been used, and in every case it has acted like a charm, always restoring the petient to perfect health in from four to eight hours .-THE undersigned are now receiving at their Store. As far as my knowledge goes there is nothing to comon Main street, between the stores of Hale & Mur- pare with it; it acts on the surface, opens the porcs the patient lies down and goes to sleep; he awakes FANCY AND STAPLE DRY GOODS, HARD- and is well, hardly knowing what cured him.
